

STRENGTH, WEAKNESS, OPPORTUNITY AND CHALLENGES (SWOC)

Institutional Strength

- ❖ Largest co-educational College of the Western Rajasthan catering to Needs of the students from the weaker sections of the society.
- ❖ Learned, highly qualified, Committed and dynamic faculty members, Regular and effective teaching and encouraging teaching - learning environment.
- ❖ Well established PG departments in Commerce, Arts and Science including Self Finance Courses in five under graduate level, one in post-graduation.
- ❖ Excellent performance of the students in the exams at university level.
- ❖ Directly elected Students' Union a substantial representation of Students in important committees.
- ❖ Eco friendly environment of the college campus.
- ❖ Magnificent performance of students in NSS, NCC, Rover and Ranger and YDC.
- ❖ Students got the selection in various competitive exams such as NET, GATE, JAM, etc.
- ❖ Familiarity of students with ICT facilities

Institutional Weakness

- ❖ Lack of adequate infrastructure.
- ❖ Lack of adequate facilities for sports and games.
- ❖ Dearth of College alumni participation.
- ❖ Non availability of a Full time Physical Trainer.
- ❖ There is a need to modernize classrooms with ICT Facilities.

Institutional Opportunities

- ❖ To obtain more Research Funding from UGC, ICSSR and other agencies to promote research skills among the faculty members.
- ❖ To transform students of rural background into well-educated citizens of the country.
- ❖ Examination results favor and justify the efforts given by the faculty Members and thus number of students enrolled is expected to increase in near future.
- ❖ To enhance collaboration with NGO's to further boost and strengthen Our social commitment.

Institutional Challenge

- ❖ Raising funds for books and fees for the students of weaker sections
- ❖ The gap between the curriculum and the industry requirement which makes our graduates unemployable.
- ❖ Curriculum does not come up with the ever changing requirement of The present world and it needs to be designed according to the local Needs
- ❖ Lack of autonomy regarding curriculum development.
- ❖ Inadequate funds to organize international seminars/conferences.
- ❖ Insufficient resources in comparison to their demand such as human resources, financial resources and physical resources.
