NAAC Question 11 –

Explain the capacity building and skills enhancement initiatives taken by the institution such as soft skills, language and communication skills, Life skills, yoga, physical fitness, health and hygiene, ICT/computing skills.

Answer

Skills enhancement initiatives and capacity building programs are organized by the institution time to time to offer overall development of students. College also organizes many soft skill development programs in which, through constant training and practice, students are able to handle challenges. Many seminars are arranged to improve communication skills of students as it cannot be denied that communication is a very important tool to reach great heights. Through education students are equipped with life skills which in turn transform them into a better citizen. For this motivational speeches are given by speakers to increase confidence and build positive attitude and thinking abilities in students. College always tries to install in students, problem solving, stress management decision making resilience and perseverance attitude. In order to promote fit India campaign, College has organized yoga, physical fitness and hygiene's program.
