NAAC Question 5 –

Describe the facilities available for teaching - learning viz., classrooms, laboratories, computing equipment and other facilities for cultural activities, yoga, games and sports etc.,?

Answer

It cannot be denied that college is facing shortage of faculties and facilities and because of that it is challenging for college to achieve the required result. Yet college is dedicated to make learning more conducive in classrooms. College has conference room for hosting literary and cultural activities. It has sports ground and students are provided with sufficient sport's material. All classrooms are equipped with white boards, chairs and tables. Students are provided with special classes for preparation of various competitive exams. College continues to excel in its commitment to teaching and learning by providing library facility. Faculties has gone through many refresher courses. Various cultural activities are organized through Women Cell and NSS. The required quantity and quality of facilities that will enhance learning process are taken into serious consideration by college.
