NAAC Question 7 –

How does the college reflect academic and administrative pursuits in line with its vision and mission?

Answer

Our college is an inclusive community, dedicated to deliver effective and respectful public service and seek to attain excellence in teaching and learning. College had many innovative ideas to fulfill but couldn't achieve due to Corona pandemic situation. We are looking forward to execute and implement those unfulfilled ideas. Promoting high standards and expectations of college, teachers, staff and administration share the collective responsibility for advancing in our mission.

-Providing a safe and positive learning environment are in our priority list. This would help to expand student's potential.

- Adopting new technological methods for delivering desired results.

- Realizing and implementing the vision is itself a process of learning which won't be a finished project, rather it will keep on progressing and refining.

-Recognizing student as a first priority we value integrity, quality and inspire critical thinking and personal development of students. -To disseminate knowledge and skill, college is committed to enhance creativity and innovation.

- College is looking forward to include many new programs in already prescribed courses.
