CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Courses offered at Rameshwari Devi Girls College Bharatpur are designed by Maharaja Surajmal Brij University Bharatpur. Term wise teaching plans are made and strictly followed. Examinations are conducted regularly, observing the academic calendar strictly. Processes of admission and filling of examination forms are online, hence duly documented and transparent. To ensure the University curriculum's educational effectiveness, the classroom teaching is monitored by the College. The teaching faculty is encouraged to undertake the new Teaching Paradigms for the benefit of students. Extension lectures by eminent and well known speakers, Administrators and Deans of all faculties are organised. As such, the teaching faculty is very dedicated and responsible. Extra classes are organized for students which are unable to achieve the desired academic progress. The collection of text and reference books, general knowledge books, magazines and journals of the college library has been augmented and internet facility is provided in the library to support the students, a number of which come from the lower income group of this region. In P. G. Departments, departmental libraries are also there for the benefit of students. Scrutiny of testimonials, credentials and qualifications of the students is performed by the admission cell and counselling is also provided. PG level seminars and tutorials are organised, keeping in mind the importance of learner centric approach. Newly admitted students are motivated and oriented through seminars and regular classes. Awareness about compulsory subjects such as General Hindi, General English, Elementary Computer Education and Environmental Studies is also provided. As per the directions of Commissionerate College Education, freshly admitted students are advised to take up extracurricular activities and it is ensured that each and every student is involved in at least one of the activities. Monitoring of the student participation in activities is done through various committees. The academic calendar is provided by the Commissionerate of college education, which the Institution is bound to follow. Besides this the directorate also provides calendar for various co-curricular activities which are followed by the Institution strictly. The Institute monitors and evaluates the quality of teaching and learning through annual examination. The Institute also caters a suggestion box for students, to help them to communicate with the college administration for their day to day problems related to teaching-learning. Students are made aware to go through college website regularly for fresh notices and circulars. Terminal tests, Model Question papers etc. are other modes through which students get acquainted with the evaluation system and their performance is adjudged accordingly. Faculties stress on spot improvement and guide students by delivering same topic in better ways. Practical assignments are also evaluated in stipulated time period. Follow-up sessions and Parents-teacher meetings are platforms to sort out student grievances. Exam results are online.
