

Institutional Best Practices (2019-2020)

- **INNOVATION IN TEACHING AND LEARNING** • All the teaching faculty of the college use information and communication technology (ICT) to make teaching more interactive. • College has a well-equipped ICT lab to create awareness among students about the use of computer. In ICT lab students make their PPT slides and also access the latest information pertaining to their subjects using various search engines. • College also has an E- Class where online classes are being arranged regularly which provide the students opportunity to interact with eminent scholars of their field whom they would otherwise not being able to get through conventional classroom teaching. • Regular class tests were conducted for all the courses which helped in assessment and evaluation of students during the session. • Students were given time bound assignments which also helped in their assessment during the session. • Departmental seminars were organized by different departments particularly by post graduate departments which also proved fruitful for students in getting latest information related to their subject. • Students of post graduate courses were also taken for educational tours in nearby areas to explore the biodiversity and demographic conditions. • College put special emphasis to enrich library through procurement of latest text and reference books. ?
- **EXTRA CURRICULUM ACTIVITIES** • College organizes annual cultural and sports programs in the mid of the session to bring sense of co-operation and inclusiveness among students and also encourage them to face various challenges in life more sportingly. • Towards the end of the session, prizes were distributed to the students who performed well in these activities in order to boost their murals and encourage them to do even better in the future. • College also has pro-active units of NSS, NCC and Scout which carried out various activities during the session. • NSS organized various activities to sensitize students and society about various burning social issues such as gender discrimination, female feticide, girl education, awareness about AIDS, importance of blood donation and Environment related issues, etc. • NSS camps were also organized during the

session. During these camps, NSS volunteers clean the campus, plant trees in the campus, to make the campus more environmental friendly. • NSS volunteers also adopt villages and areas belonging to poor underprivileged sections of the society and carried out various programs to create awareness among them about the importance of literacy and to discourage social evils, etc.

पोस्टर के माध्यम से दिया जल संरक्षण का संदेश

धौलपुर। धौलपुर के पीजी कॉलेज में शनिवार को राष्ट्रीय सेवा योजना की ओर से जल संरक्षण एवं प्रबंधन विषय पर पोस्टर प्रतियोगिता का आयोजन किया गया। ऑनलाइन प्रतियोगिता में युवाओं ने पोस्टरों के माध्यम से जल संरक्षण का संदेश

दिया। कॉलेज प्राचार्य डॉ. एके वर्मा ने कहा कि जल संरक्षण अत्यंत आवश्यकता है। उन्होंने कहा कि युवा इस क्षेत्र में आमजन को जागरूक करके अपने दायित्वों का निर्वहन करें। प्रतियोगिता के दौरान कार्यक्रम अधिकारी डॉ. पुरुषोत्तम लाल, शशिकांत जाटव, वीडी पाराशर व मोनिका ने निर्णायक मंडल की भूमिका निभाने के साथ-साथ संभागियों को जल संरक्षण के प्रति जनजागृति के लिए प्रेरित किया। प्रतियोगिता में प्रथम स्थान पर संदीप पहाड़िया रहे, जबकि द्वितीय स्थान पर संयुक्त रूप से संगीता राजपूत व वन्दना सैथिया रहीं। प्रतियोगिता में रमा त्यागी व सोनल जैन ने संयुक्त रूप से तृतीय स्थान प्राप्त किया है। संवाद
