Sports & Games is one of the oldest departments of the college. But unfortunately the post of PTI is vacant since 1998. Games and sports are important for recreation and fitness of the health. Students learn and understand the value of discipline, cooperation, team work spirit and desire to perform by participating in Games and sports. In spite of vacant post of PTI for long period of time students of this college are performing well at university level and maintain its glorious history. The college has facilities for indoor as well as outdoor sports, the indoor games include chess, carrom and table tennis while the outdoor games played are cricket, football, tennis, basket ball, volley ball, handball and kabaddi. Many athletic activities are also a preferred sport of the students of this college. The students participate at different levels beginning from inter - class followed by inter - college, state level, inter-university and reach up to national level. Some of the regular activities of this department are as follows-

- Each year **Inter Faculty Tournaments** are held to groom the players at college level and the selected players are sent to play inter collegiate tournaments of MDS University, Ajmer.

- In Cricket, Basket Ball, Handball, Kabbadi, Football, Tennis, Badminton, Table tennis, Volley Ball and Athletics College team participating in inter collegiate tournaments in past few years and performed well over the years.
- Outstanding players are sent for selections trials of MDS University, Ajmer.

NSS - Presently the college is running 3 units of **NSS** of which one is for girls and other two are for boys students. Volunteers from every unit are committed and dedicated towards different activities specially focusing upon social issues and internalize the **NSS** Motto - "**Not Me but You.**"

Rovers - Rovers activities are presently operating in this institute with an aim to explore the full potential of the youth, may it be physical, intellectual, social or spiritual.

NCC - National Cadet Corps (NCC) is a voluntary organization which recruits cadets, gives them basic military training and students having this qualification are given preference over normal ones during selections in Military, Paramilitary, Police Services and many other Security positions based on achievements. The NCC Unit of the college comprises of Company with 160 cadets. The complete course tenure this year onwards is three years and students based on their participation are given 'B' and 'C' Certificates.

Science/Commerce/Art's faculty associations and PG associations are constituted for academic interactions and to promote scientific temperament, logical skills awareness for the higher education and employability in the various fields; under supervision of respective faculty members.
