BEST PRACTICE
SUSTAINABLE DEVELOPMENT
Session: 2015-2016

ABOUT THE COLLEGE

Government Bangur college, Didwana is housed in picturesque Jodhpur Sandstone carved beautiful building with excellent interiors. The institution is situated in the heart of Didwana city is witness for the educational uplift of the whole region since 1951. The Bangur family generously constructed this college during 1950's. It was educational centre of Inter College from 1951 and of U.G. level from 1958. This college was up graded to P.G. level in 1981.

The college is known after its galaxy of alumni's spread over entire country and also at abroad. The academic environment is excellent amongst the educational institutes of the region. The curricular, co-curricular and extracurricular activities are commendable in this college. Geology is taught in this college up to post graduate level and the alumni of this department have gone far and wide in different parts of World and up to Antarctica. The back bone of the institute is its library housing more than 66,000 books. The gigantic hostel building is capable to house 55 students. Girl's hostel building has been constructed with the help of U.G.C; capable to house 40 students. The NCC wing cadets of our institute participated in Republic day parades at New Delhi. Three units of NSS volunteers also work commendable. Our students also excel in the fields of Sports and Literary. The state level annual Seth Narayan Das Bangur memorial intercollegiate Hindi debate competition organized since 1972-73 has its own repute and produce numbers of good debaters. This debate is sponsored by "*Bangur Gharana*" and is considered as one of the best practice of our college.

The rural back ground of majority of the students does not hinders much to reach students up to highest level because of the family environment existing in the campus between officers, officials, students and their parents. IQAC and Alumni association is actively looking after for the development of the college. Healthy Teacher-Students relationship and collective efforts of all members of this institute helped this college to be recognized as Model College in the past and accredited as B + by NAAC in year 2006 and with CGPA of 2.68 on four point scale at B grade in year 2016(In NAAC accreditation - Cycle: II) .

1. Title of the Practice: SUSTAINABLE DEVELOPMENT

2. Goal: Government Bangur College, Didwana lies in the wet land area of the eastern margin of the great Thar Desert and College campus have a healthy, pollution free and eco-friendly environment. The institute has a green campus as regular plantation programmes are carried out. The institute aims to provide a polythene free green and pollution free environment to all the students studying in the college. The main goals of the institute are:

1. To maintain and improve the quality of the environment.
2. To create an awareness among students on environmental issues
3. To create an atmosphere where faculty members and students both contribute to the sustainable development of the college.

3. The context: The very concept of maintaining a green and eco-friendly environment requires a combined and consolidated effort at institute, faculty and student level. The biggest constraint is the non availability of the post of gardener, who if present, can make the scenario even more beautiful and enhancing. The plantation of all types of trees and plants some of which are native and some exotic are at present a source of achievement for the college.

4. The Practice: The institute has several green areas along with botanical garden. The college has many exotic plants. The knowledge of plants to under graduate students has a positive effect in their life.

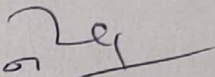

5. Evidence of Success: In spite of constraints the institute maintains a several green patched like Tulsi Vatika (adopted by NSS), Neem Plantation, decorative plant pots and Botanical garden are developed and maintained in the college.

- **NSS Volunteers of the College participated in "Swachh Bharat Abhiyan" programme with Local Administration on 20 July, 2015.**
- **Plantation Programme under YDC in the College on 30 July, 2015.**
- **Plantation Programme under NSS in the College on 28-30 August, 2015**
- **One day camps under NSS in the College held on 04 October and 18 October, 2015 on Environment Conservation and Campus Beutification.**
- **One day Workshop organized in the College on Environment and Groundwater Conservation on 15 October, 2015 under the aegis of Science Council and PG Geology Council.**

- Two days *STUDENT SEMINAR* 2015 organized in the College under the aegis of YDC, Science Council and PG Geology Council on *NATURAL RESOURCES, SUSTAINABLE DEVELOPMENT AND IMPACT ON ENVIRONMENT* during 29-30 October, 2015.
- NSS Volunteers of the College participated in “*Chief Minister Jal Swavlamban Abhiyan*” programme with Local Administration on 27 January, 2016.

6. Problems encountered and Resources Required

- Need of water sprinkler systems in Botanical Garden.
- Water quality on chemical parameters hindering expansion of Botanical Garden.
- Post of Gardener
- Green House
- Extreme hot conditions during Summer

(Dr. Naresh Misra)

Officiating Principal
