**SUSTAINABLE DEVELOPMENT**  
**Session: 2019-2020**

**ABOUT THE COLLEGE**

Government Bangur college, Didwana is situated in the heart of Didwana city is known for the educational uplift of the whole region since 1951. The Bangur family generously constructed this college during 1950's. It was educational centre of Inter College from 1951 and of U.G. level from 1958. This college was up graded to P.G. level in 1981. The college is recognized by the University Grants Commission, New Delhi under (2f) and 12(B). The college is known after its galaxy of alumni's spread over entire country and also at abroad. The academic environment is excellent amongst the educational institutes of the region. The backbone of the institute is its rich library housing about 70,000 books. The boys hostel building is capable to house 55 students. Girls hostel building has constructed with the help of U.G.C. The NCC wing cadets of our institute participated in Republic day parades at New Delhi. Three units of NSS volunteers also work commendable. Our students also excel in the fields of Sports and Literary. The state level annual Seth Narayan Das Bangur Memorial Intercollegiate Hindi Debate Competition organized since seventies has its own repute and produce numbers of good debaters in the region. This debate is sponsored by "Bangur Cooperates". The present building of main campus was constructed in the 1954 and in 1958 the institution developed as college up to under graduate level. Presently the college is having education in 17 subjects covering science, arts and commerce streams. It is a co-education institution with over 4370 students. The college is permanently affiliated to the M.D.S.U., Ajmer. The college has several programmes for skill development, quality enhancement and over all personality development under the aegis of NSS, NCC and Women Cell for the students. For quality teaching-learning process, the college is equipped with interactive smart board, broadband connectivity, Wi-Fi zones and INFLIBNET access. Since its inception the college has been keeping pace with the changing needs and requirements to meet its academic growth by augmenting infrastructural facilities. Committed efforts of all members of this institute helped this college to be accredited as **B +** by NAAC in year 2006 and with CGPA of 2.68 on four point scale at **B grade** in year 2016 ( In NAAC accreditation - Cycle: II).

The water harvesting system is developed in the main campus for roof top rain water harvesting; to augment rain water and storage of water into the tank. "Save Energy and Save Water" is our main motto. For E-waste Management College follows guide lines issued by the Government of Rajasthan. The college also follows policy of non use of polythene. This drive maintains the beauty of the campus. Use of bio degradable material is encouraged and followed during various activities. The college is following Swachh Bharat Abhiyaan Mission of Government of India to make the campus eco friendly.

### **BEST PRACTICE**

**1. Title of the Practice: SUSTAINABLE DEVELOPMENT**

**2. Goal:** Government Bangur College, Didwana lies in the wet land area of the eastern margin of the great Thar Desert and College campus have a healthy, pollution free and eco-friendly environment. The institute has a green campus as regular plantation programmes are carried out. The institute aims to provide a polythene free green and pollution free environment to all the students studying in the college. The main goals of the institute are:

1. To maintain and improve the quality of the environment.
2. To create an awareness among students on environmental issues
3. To create an atmosphere where faculty members and students both contribute to the sustainable development of the college.

**3. The context:** The very concept of maintaining a green and eco-friendly environment requires a combined and consolidated effort at institute, faculty and student level. The biggest constraint is the non availability of the post of gardener, who if present, can make the scenario even more beautiful and enhancing. The plantation of all types of trees and plants some of which are native and some exotic are at present a source of achievement for the college.

**4. The Practice:** The institute has several green areas along with botanical garden. The college has many exotic plants. The knowledge of plants to under graduate students has a positive effect in their life.

**5. Evidence of Success:** In spite of constraints the institute maintains a several green patched like Tulsi Vatika (adopted by NSS), Neem Plantation, decorative plant pots and Botanical garden are developed and maintained in the college.

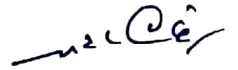

- **NSS Volunteers of the College participated in "Swachh Bharat Abhiyan" programme.**

med/

- *Plantation and Cleaning Campaign Programme* under NSS and NCC in the College during the session as per Calendar.
- *One day/Seven days camps (22-28 December,2019)* under NSS in the College during the session as per Calendar on *Environment Conservation and Campus Beautification*.

**6. Problems encountered and Resources Required**

- Need of water sprinkler systems in Botanical Garden.
- Water quality on chemical parameters hindering expansion of Botanical Garden.
- Post of Gardener
- Green House
- Extreme hot conditions during Summer
