

## Women Cell.

Women Empowerment and Gender Equality are the most important requirements for the upliftment and progress of our Nation. In the effort to make Malpura college a strong kernel of Gender sensitisation, the women development cell (WDC) was constituted in July 2001 under the able convenership of smt. Sumai Sultan. The cell has both the faculty and students of the college as its members and works with an aim to create a gender sensitisation community with in campus as well as in the society. Women cell has been organising varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of Gender equality in the society through college students.

The main objective of the women cell is to create an invironment that will help women realize their full potential and give their best. The mission of our women cell is to encourage female students to be self reliant and economically independence, spreading awareness among the students about the social, legal and constitutional rights of women in order to prevent the exploitation based

on gender. The main activities was done under the women cell in the convenorship of Dr. Abha Mathur and other members Dr. Kalpana Bhardwaj, Mrs Shubha Chaturvedi and ~~Dr.~~ <sup>Dr.</sup> Anjali Prajapat in the current year ~~is~~ <sup>is</sup> —
