

## TWO BEST PRACTICES

1. At the initiation of the Government and in compliance of the order of the Directorate of College Education, Jaipur, Government College, Pushkar started the **Gandhi Adhayan Kendra** at the beginning of the current academic session. Along with the display of Gandhiana literature, a good number of books on the Freedom Movement and the heroes of the Great Struggle, some curios pertaining to the Mahatma, like the Spinning Wheel and spindles were also exhibited. Poster competition, Sayings of the Mahatma, Quiz contest, and the Recitation of the Gandhi bhajans were also organised in which the enrolled volunteers zealously participated. Some girls also hand-made Corona masks with the Gandhi Logo duly embroidered as a mark of tribute to the Father of the Nation.
2. The setting up the Gandhi Vatika in the College premises is yet another activity and event the College can in due course take pride in. The Vatika is being developed on the college lawn with an intent to provide students and the faculty a feel of an Open-air school in the midst of Nature, under the green trees and flowering plants. It also helps in instilling a sense of environmental care and protection among the students. The college is planning to install a Gandhi Statue at the Vatika in near future.
