## 5.3.2 DVV Clarification

Change Input as DVV Suggested :

2021-22	2020-21	2019-20	2018-19	2017-18
02	03	08	07	07

HEI Input for this template was mistakenly understood to include the total number of students participated in all events. Also, each event was earlier split into activities.

The actual number of sports and cultural programs in which students of the Institution participated during the last five years (organized by the institution/other institutions) is as per DVV suggestion.

The following link provides the detailed reports of sports, cultural and literary activities along with photographs appropriately dated and captioned year-wise. College circular, pressnotes and press releases have also been included in the reports. Consolidated authenticated list of students participating in different events year wise duly signed by the principal are also attached.
