

MISSION

Our mission is to provide higher education to students coming especially from economically backward segment of the regional society. To include and propagate the values of commitment integrity and self reliance, thus making them globally competent. Enlighten and create widespread awareness of the humanities, economic, scientific as well as literary knowledge among boys and girls, thus making them better citizens for tomorrow.

VISION

Education is not only a prime concern today but is imperative for the all around development and prosperity of a nation. Higher Education is a critical requisite and an effective catalyst for social and economic change in the Indian society.

Visions of our Institution are empowerment and uplift to students from each and every strata of the society through excellence in Arts, Commerce and Science. Being a Government College, it visions to accomplish all the dreams of the Government for uplift to education status in the state.
