SMM GOVERNMENT GIRLS COLLEGE BHILWARA

Students Satisfaction Survey (SSS)

2019-20

The college prepared a questionnaire to be filled by the regular students, to know their feedback with respect to certain parameters, such as completion of syllabi, classroom infrastructure, science laboratories, library facilities, sports facilities, cleanliness, etc. Nearly 112 students responded by promptly filling in their responses. The summary of their feedback has been prepared in the form of pie-charts, bar-charts, etc. A printout of the spreadsheet containing all the responses is also attached herewith.

Such feedback from the students of the college helps in having an understanding of what further areas of development could be addressed, as well as knowing about the needs of the pupils.
