Action Taken Report of IQAC Meetings (2017-18)

ATR (compliance to the decisions) regarding Perspective plan for the session

In the meeting organised on 24th of August IQAC outlined the road map for the session 2017-18.

- As per the suggestions usage of ICT tools was enhanced by faculty members particularly for the postgraduate classes in each department. Students were counselled and guided during the session for participating in the the Karya scheme of DST.
- Various activities like campaigns to discourage the use of plastic promoting, Anti-tobacco awareness and blood donation camp etc. gained momentum in the campus.
- Upgradation of internet and Wi-Fi facilities was also taken up in the institute
- An IPR workshop was organised during the 2017-18 session as proposed in the meeting.

In the meeting of IQAC held on 6th of October 2017 progress of actions being taken upon in the Institute regarding various suggestions as made by IQAC were taken note of.

- Parent teacher meeting in an informal manner organised for the undergraduate and postgraduate classes. The queries of the stakeholders were responded and their suggestions regarding pedagogy and curriculum were conveyed to the concerned authorities by the faculty.
- Arrangements were made in the library reading hall present at the entrance of the library building for t he Morning Walkers and other interested citizens to browse the daily newspapers during the morning hours.
