

Auditorium / Conference Hall

The availability of a well-equipped auditorium in the college is important to achieve the ultimate goal of the institution in order to provide exposure to the students by participating in different types of activities so that students become more participatory, efficient, communicative, well-disciplined and well-focused towards their priorities. In addition, the auditorium is also used for public speaking in the form of Seminars, extension lectures, workshops and students union activities etc. The College infrastructure includes a number of auditoriums, conference halls and seminar halls for organising cultural, literary and other extra- curricular events for students and faculty members.
