

BANK

To provide the banking facility for the students and staff, the college has a fully functional and independent branch of State Bank of India (SBI) within the college campus. The modern and friendly banking facility ensures absolute ease to students and staff for all sorts of financial transactions. The staff has easy access to their salary accounts and internet banking facility is also provided by the bank, The banking services facilitate all kinds of National and International Banking conveniences, including providing education loans to students on simple terms. The various scholarships availed by the students are also transferred via DBT scheme in their bank accounts. SBI, Ajay Nagar, Branch provides zero balance a/c facility along with passbook to the college students. Students can avail this facility by submitting a bona fide form duly signed by the authority.
