

Introduction

Rabindranath Tagore has very aptly defined the goal of education by stating that " the highest education is that which does not merely give us information but makes our life in harmony with all existence". Education now must be seen as fostering values which constitute the well-being of the individual on one hand and that of humanity on the other. Samrat Prithviraj Chauhan Government College, Ajmer today enjoys the status of an illustrious and highly distinguished institute in higher education in northern India as it is striving unceasingly to achieve highest goals of education.

- ✚ This renowned college was founded in the year 1936 by the directors of the East India Company as a school. Soon after its foundation, it gained popularity and drew students from all walks of life.
- ✚ In 1968 it became an Intermediate College and in the same year on January 17, the foundation stone of the present building was laid down by General Keating, Agent of Governor General in Rajputana.
- ✚ By an epoch-making decision in the year 1869, it was made a full-fledged degree college and got affiliated to the University of Allahabad.

Introduction

- ✚ In 1927 the University of Agra was founded and the college was affiliated to it.
- ✚ Faculty of Commerce was introduced in 1949 whereas
- ✚ Faculty of Law came into existence in 1951.
- ✚ After the integration of the erstwhile state of Ajmer-Merwara with the state of Rajasthan, the college came under the jurisdiction of University of Rajasthan in 1956.
- ✚ This prominent college attained new heights in the year 1956 with the initiation of PG classes and now it was a Post Graduate College imparting education not only to the students of Rajasthan but to the aspirants from the neighbouring states as well.
- ✚ Maharshi Dayanand University of Ajmer was established in the year 1987 and finally this college became affiliated to this university in that very year.

To transform the dreams and aspirations of the youth to reality the college is highly equipped with facilities that make it a national level institute. It has adequate infrastructure that cater to the needs of around eight thousand students. The campus is Wi-Fi facility for ICT enabled

Introduction

teaching. All departments are connected through LAN and the college administration's major thrust is on paper less communication to conserve environment.
