Two Day National Webinar on "Integrated strategies for Biodiversity & Ecological restoration"

25th -26th August 2020, 12 PM- 2 PM

ABOUT THE WEBINAR

COVID-19 pandemic is Compelling to rethink & redefine the strategies for biodiversity conservation. It has brought about a total transformation by confining human beings at home. This divulges us to think whether this isolation has created new opportunities for biodiversity and ecological restoration & sustainable living.

This webinar is a sincere effort to provide a platform to the global community of Environmental & Life Sciences professionals to discuss the economic prosperity vis-a-vis environmental sustainability.
