Objectives of the Practice Number Second

E-waste Management from the college campus involving NSS students and Arts , Commerce, Science

Objectives of the Practice:

- to promote a sense of hygiene among students.
- the content of the practice is to carry out waste management in a participative manner involving both students and teachers and also the NSS .

The Practice:

A college level seminar on “Waste management, Recycling and Your Role” was organised by IQAC on Ozone Day the 16th September, 2018 .A large participation of about 60students reflected an active role of group. During the programme an oath was taken by both staff and students of the college to clean the college campus regularly. Also keeping the vicinity of the college was considered a high priority.

Evidence of Success

As an outcome of the programme, group of 20 students were formed with a Mentor from each group. Each student in the group was asked to give a feedback on the waste scenario of the college and how it can be improvised. Also a WhatsApp group was formed for easy access of the students. Important message are regularly uploaded in the group so that students actively involved can be informed at the earliest.
