The vision and mission statement of IQAC @ SHRI GOVIND SINGH GUJAR GOVERNMENT COLLEGE, NASIRABAD

The Vision Statement of IQAC

SHRI GOVIND SINGH GUJAR GOVERNMENT COLLEGE,
(Rajasthan) the premier centre of higher learning of Rajasthan, celebrated more than 50 years of its excellence and glorious service to the nation and the region.

College Mission Statement:

"The mission at SHRI GOVIND SINGH GUJAR GOVERNMENT COLLEGE, NASIRABAD

(Rajasthan) is to provide education based on theoretical and practical knowledge and imbibing capacities to think about students' enrichment in academic and co curricular activities".

In view of the mission Statement of the College; this organization is achieving the goal oriented progress in all spheres and at present college is a leading college in the entire Ajmer District offering quality education for both Boys and Girls.

The Mission Statement of IQAC

In keeping with its heritage and identity, IQAC models expects excellence in academic and professional pursuits. IQAC cultivates the capacity for reflective and critical thought, creativity, and innovation in its main stake holders, that is staff and students of S.G.S.G Government College, Nasirabad. IQAC also aims to identify and cultivate extra-curricular talent and potential of both staff and students, which will go towards strengthening the vision of the college.

PRINCIPAL'S MESSAGE

We live in a pluralistic society with diverse cultures and viewpoints. **SHRI GOVIND SINGH GUJAR GOVERNMENT COLLEGE,** has this diversity to grow in a healthy atmosphere of learning. You, as a teacher/stakeholder of higher education, will agree that higher education is not just about the higher level of educational structure in the country. There is more to it. Higher education imparts in-depth knowledge and understanding so as to advance the students to new frontiers of knowledge in different walks of life. It is about knowing more and more about less and less. It develops the student's ability to question and seek truth and makes him/her competent to critique on contemporary issues. It broadens the intellectual powers of the individual within a narrow specialization, but also gives him/her a wider perspective of the world around.

All the higher education institutions are expected to maintain quality. The idea of quality is not new, nor that of Quality Assurance (QA). There are different approaches to quality assurance. Quality is a concept; it is a philosophy; it is a journey; it is also what we practice. Quality for us is all of these and much more. Human excellence, character formation and social concern is the centre of the education at St. Joseph's

College. A good education will be determined by the quality of the curriculum, teaching and "the mastery formula" called methodology of teaching. When we get into wealth of information regarding quality in education we will be wise to acquaint ourselves with the information concerning different best practices of higher education. Therefore today the most important fact is "Quality in a service is not what you put into it. It is what the student gets out of it."

In this regard the role of Internal Quality Assurance Cell [IQAC] at **SHRI GOVIND SINGH GUJAR**

GOVERNMENT COLLEGE, NASIRABAD

is important. This first newsletter Quality Assurance [QA] released by IQAC gives the glimpse of the best practices we promote as part of the integral formation. I wish all well for the IQAC team and the members of the staff in their pursuit of quality enhancement.

Dr. Shardha Verma
Principal

CONVENOR MESSAGE

Being a part of higher education system in a developing nation, there is a greater responsibility on us to create a system that commits to bring benefits of education to society and nations at a large in pursuit of excellence required in higher education, NAAC/UGC have

launched the concept of setting of Internal Quality Assessment Cell IQAC in the institute to build a sustainable quality bench mark for various academic and administrative activities in the Institute, THE INTERNAL QUALITY ASSURANCE CELL IQAC enables us to realize our strengths. When we understand our strengths at the same time it is essential to understand our weaknesses which can put us in disadvantage, we also become aware of the opportunities that can be utilized to our advantage and factors that can pose threats to us to reach our goals, IQAC enables us to reach our objectives by constantly evaluating our performance, accrediting the quality of

education, and upgrading the benchmark to scale up the standard of education. We commit toward building an environment of learning with an outstanding infrastructure, dissemination of knowledge using upgraded technology and carefully designed curriculum taught by research oriented faculty members. We work towards differentiating ourselves by bringing ethos of student centeredness and molding students to be lifelong learners and innovators.

Dr. Abhinav K Raina

The Team IQAC

1. Dr.Shardha Verma
(Principal and Chairman)
2. Dr A . K Raina
(Convener)
3. DrAtul Agarwal
- 4.. Sh.Ashwani Kumar Sharma
5. Dr.Ravi Mathur
6. Dr. Archana Purohit
7. Two nominated Members
from Industry
8. Three Nominated Students as
Members

Action Plan taken for 2020-2021

- ◆ Student feedback is an invaluable component in the wide array of tools that can be used to improve learning and teaching. IQAC has go for feedback for the academic year 2019-2020
- ◆ IQAC has organized seminars and workshops in order to sensitize research culture in the campus. (Two webinars were organized upto December 2020

To share and learn the best practices with other institutions of learning.

Focus on GreenAudit and Beautification

Focus on Fully digitalization of Library

Infrastructural Development (New Construction and Rennovation)

Innovations and Best Practices introduced in the institution

- a) **Mentoring System:** This academic year onwards the single mentor system per class is changed to a two mentor system. The role of the mentors is to contribute to the total development of the students under their care: to be supportive towards the student, be a link between the student and the Department, between the course teachers and the students, between the parents and the students and between the students themselves: to help a student in any specific way in which he or she may require guidance.
- b) **Counseling Cell :** In each block of the campus the students are taken care by professional counselors who help the students navigate life's difficult experiences and encounter challenges beyond the scope of teachers and parent's awareness.
- c) **Revamping of IQAC:** The structure of IQAC has been revamped, to live out the vision and mission of IQAC.
- d) **Drinking Water Facility:** Ground block in the campus is being provided with clean and hygienic drinking water facility.
- e) **Online Admission:** College has online admission system as per DCE rules.
- f) .
- g) **Research and Analysis Team:** A new team has been constituted in order to have analysis of data pertaining to evaluation of student performance. This is taken care by the faculty from statistics and economics.
- h) **Public Address System:** The Public address system has been installed in the Administrative block of the college to facilitate simultaneous announcements in all the class rooms..
- i) **Collaborations and MOUs:** One Faculty member has the collaboration with School of Hospitality Management

Florida International University Miami USA. Department of Tourism Government of India and Rajasthan,

Greater Team IQAC

The main objectives to be achieved

Open House of students and IQAC Team

To convene a meeting of students and the teachers, in order to facilitate open discussion between students and teachers regarding matters which are important for both the stake holders..

- To understand the positive aspects in the functioning of the departments or college.
- To understand the shortcomings in the functioning of the departments or college.

The main areas that were deliberated are:

- ✓ Better placement cell to help in career mapping and C.V. writing.

- ✓ Invite the alumni to address the current students in their field of specialization.
- ✓ Provide sponsorship for UG and PG students
- ✓ Of all intra mural associations to have single major fest.
- ✓ Best Practices
- ✓ Sports Enrichment
- ✓ Cultural and Co- cultural activity enrichment

Round Table with Library Staff

The IQAC formally held round table deliberations with staff of and Library on bi-annually in the library. The main objective was to build a network between the library staff and the students. Many suggestions were given to modernize and improve the quality of facilities in the library.

Nomination of new of members from other stake holders to the core group

Four new members were nominated to the existing core group of IQAC

Staff Capacity Development Programs

Strolling down the memory lane - The different cycle of accreditation		
Cycle of Accreditation	Year	Grade
First	2004-2009	B
Second	2016-2021	B+

Conducted Self appraisal of teaching staff: Self appraisal of all aided and unaided staff members was carried out and the output was documented.

Functions OF IQAC according to NAAC at

SHRI GOVIND SINGH GUJAR GOVERNMENT COLLEGE,

Nasirabad

Constantly developing and applying benchmarks/parameters of quality for various academic and administrative activities of the institution which is done by SWOT analysis and departmental review meetings.

- Facilitating the creation of a learner-centric environment conducive to quality education which is done by BOS meetings in all the departments, which is mainly to adopt the required knowledge for participatory teaching and learning process.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes for which separate mechanisms have been created in each block feedback boxes are installed so that the response from students, parents and other
-

stakeholders on quality can be availed by IQAC and also the mail id has been created so that the stake holders can pour in their suggestions
Dissemination of information on various quality parameters of higher education - which is going to be done by circulating news letter of IQAC for each of the semesters.

- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles - which is done by holding quality benchmarking workshops / and personal visits across different institutions to study the best practices.
- Documentation of the various programs activities leading to quality improvement - which is done by specially created documentation center of the college.
