Course Outcomes

SGSG Govt College, Nasirabad which is affiliated to MDS University Ajmer is committed to provide the quality education to its students. Our institution is offering 3 UG courses – B.A., B.Sc., B.Com. and PG in History. In B.Sc. we are offering additional vocational course in computer science. Our institution adheres the curriculum prepared by the MDS University duly approved by the Board of Studies. Some faculty members are members of Board of Studies and act as conveners of the curriculum enrichment. The institution has adopted the mechanism to address the grievances relating to program outcome and course outcome. The learning outcome of the final year students both UG and PG programs are displayed on the college's website. College has developed the mechanism where faculty members of all subjects are available to listen and address problems/doubts of students in vacations too. Our faculty members are always available for counseling of students who are seeking admission in the first year and MA previous. As far as communication of program outcome and course outcome and the responsibility of the faculty, each faculty member discusses the teaching plan with the respective department faculty in charges. On the basis of inputs from the students as well as from faculty members, the outcomes for all courses is being discussed in academic body of the college which helps the teachers evaluate, identify, measure and implementation by identification of learning capacities of students and accordingly corrective measures are taken. In this process mentors play important role and help the average learners to attain better outcomes and even encourage the advanced learners to achieve higher goals. The average results shown by the institution in the university examination remains one of the best in region.
