Ajmer - Jodhpur NH Link Road, Nagaur 341001

College Code – 302013

## 7.2.1 - Describe at least two institutional best practices

1. Negligible ragging activity or gender discrimination has been reported in the college. This is due to efforts of faculty members who work together to maintain discipline in college campus.
2. Contribution of 'Bhamashah' for development of college. So many works like construction of students union office, NCC Room, Water huts and facility of water coolers in college are by contribution of 'Bhamashah' i.e. donor from society, it shows the link of college with society.
3. The college has linked with the online application system for the admission in the college, so filling the application form, merit generation, publication of merit list and deposition of fee is entirely computerized. This is major leap taken by the DCE in the direction of e-Governance, which is properly executed by the college.
