

# **HARIDEO JOSHI RAJKIYA KANYA MAHAVIDHAYALAYA BANSWARA**

## **PERFORMANCE OF THE INSTITUTION**

Located in the Tribal Sub-Plan (TSP) region, Haridev Joshi Government Girls College, Banswara is committed to the upliftment of the backward sections of Indian society. This objective is attained through sincere efforts aimed at the overall development of tribal girls, in particular, to enable them to become participants and contributors to mainstream society. We are committed to providing quality education to first-generation learners from this tribal region. We aspire to educate and train them to be efficient, empathetic and responsible citizens by inculcating values of discipline, hard-work, and team-spirit. Personality grooming along with development of communication skills and power of expression in students is the primary focus of our institution. Self Defense classes are organised each year to make the girls strong. At the same time employability culture is promoted by preparing them for competitive exams, industrial visit, Talks from different experts of various fields, thereby inspiring the students to explore interest in different career options. Thus the vision of the college is to enhance professionalism, humanism and social responsibility amongst its students.
