

## **Vision and Mission**

**The vision of the college is to enhance professionalism, humanism and social responsibility amongst its students and also to achieve greater heights of educational and personality growth of its students from the tribal region of Southern Rajasthan.**

**The Mission of the institute is -**

- **To provide quality education and healthy atmosphere of learning.**
- **To provide equal opportunity to every student for her personality's wholistic growth.**
- **To inculcate values of discipline, hard-work, and team-spirit to make them empathetic and responsible citizens.**
- **To motivate, encourage and enable its students of Tribal Belt to become participants and contributors of the mainstream society.**
