

MAHARANA PRATAP GOVERNMENT COLLEGE, CHITTORGARH (Raj.)

4.1.1 & 4.1.2

Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution

The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc. The college has always strived hard to meet the challenge thrown up relating to the number of students enrolled and the physical infrastructure available, the availability of ample classrooms remains a challenge but the institution has always tried to address the issue on a war-footing, it took prompt actions to receive grants under SJSY (Shahri Jan Sahbhagita Yojana), however, it is noteworthy that the Central & State Governments have provided funding under the RUSA 2.0 scheme and there is some enhancement in the infrastructure facilities inc. no. of classrooms, smart classrooms, toilets, labs etc. In some cases a grant is also released by the institution from the college development committee for enhancement of facilities. The institution regularly communicates and informs the higher office about all the issues and looks forward to receive and subsequently utilize more funds from the government for the betterment of the institution. The institution became the only governmental college in the state of Rajasthan to submit a proposal under VGP (Viability Gap Format) a developmental scheme for higher institutions launched by the Gol (Government of India) under the aegis of the Ministry of Economic Affairs.

The facilities for cultural activities include a centre-stage located with the main college building serves as the main venue for holding cultural and literary events, functions etc. A separate building which serves as an auditorium cum seminar hall (MAHARANA PRATAP AUDITORIUM) is also used for holding events, meets etc., and a proposal is underway for renovation of the college auditorium. A newly constructed seminar hall (funded by RUSA 2.0) is being prepared for holding various events; it will include air-conditioning and interactive panel display with elegant furniture etc. It will be utilized by all the faculties of the college and will only be used for academic purposes viz. holding of literary events, seminars, workshops, conferences etc.

The facilities for sports, games etc. include:

- a) The facilities for indoor games include: two badminton courts, a table tennis facility.
- b) The facilities for outdoor games include: two basketball courts, one kabaddi court, one volleyball court, one lawn tennis court, a cricket playground, a racing track, and space for various athletic events.
- c) The college has a in-house gymnasium facility for the students.
