

MAHARANA PRATAP GOVERNMENT COLLEGE, CHITTORGARH (Raj.)

4.2.1.

Library is automated using Integrated Library Management System (ILMS), subscription to e-resources, amount spent on purchase of books, journals and per day usage of library

The college library is a place of learning and dissemination of knowledge among the students of the college. The college library is equipped with more than sixty thousand books inc. text books; reference books, almanacs, anthologies, dictionaries, etc. The college administration worked tirelessly to upgrade the existing facilities in the college library. A separate library committee was constituted with the sole purpose to enhance the library infrastructure.

The college has renewed its subscription for the N-list and now the individual log-ins for the faculties and students are being generated. The college library committee is working towards establishing an IT enabled corner for students where they can access the online e-resources under ILMS.

The state budget allotted to the institution each year by the Government of Rajasthan is utilized for buying of the books, and journals. Under the RUSA 2.0 scheme there is a separate provision of budget for enrichment of the library, each department will be allotted a budget for purchase of the books.

The facilities available to the students in the library include a reference room from where they can hire the books for preparing the notes and references; there is also a functioning book-bank and a reading room for day scholars. The per-day average usage of the library is around 100.
