

The governance of the institution is reflective of and in tune with the vision and mission of the institution

Maharana Pratap Government College, Chittorgarh (Raj.)

College Mission Statement:

“The college aims to promote quality in education, impart knowledge based on values and facts, and create an environment for personal and professional development in which learning is continuous, self-driven and engaging.”

Maharana Pratap Government College Chittorgarh is a state-run educational institution it works under the aegis of the Department of College Education, Government of Rajasthan, and it is affiliated to Mohanlal Sukhadia University Udaipur. The structure of the governance of this institution is diverse and entirely based upon the framework of rules and regulations formulated by the provincial government through legislation. The college is headed by the principal who assumes his/her office after obtaining the departmental promotion. He/she is the highest authority in the college having all the administrative and financial powers deemed as necessary for running the office. He delegates his powers both financial and administrative to various committees headed or supervised by senior colleagues for decentralised and effective decision-making.

Therefore, Maharana Pratap Government College Chittorgarh is having a diverse, robust and decentralised system of governance which is well suited to its needs; the college administration takes pains to make it student friendly and introduces innovative practices from time to time to make it more compatible and contemporary. The not only provides qualitative knowledge but also aims to incorporate values and ethics while learning. The teachers are advised and encouraged to update their professional skills through various methods including Refresher Courses, FDPs, and Short Term Courses etc. The students studying in the college are given adequate representation in college committees adding to the concept of decentralisation. The students are engaged in various events and activities that take place in the college all the year round, the commemorative days and events are celebrated with gaiety and fervour, many departments are having their own fora and councils which provide a platform to the students from where they could express themselves, and inter-disciplinary activities are promoted as well. The college is having a host of student-centric agencies viz. NSS, NCC, Rover and Ranger etc. which are also instrumental in the holistic development of a student.
