

MAHARANA PRATAP GOVERNMENT COLLEGE, CHITTORGARH (Raj.)

6.2.3

Implementation of e-governance in areas of operation

1. Administration :

The college administrative mechanism is having a substantial incorporation of e-governance in all the areas of its operation. The higher office (Commissionerate of College Education) is having its own website for speedy and effective communication with the constituent colleges. The departmental guidelines and circulars are displayed on it and downloaded by the colleges. The intra-departmental communication is encouraged through e-mails; the college has launched its own official WhatsApp group for sharing of the relevant information, the college has its own webpage from which the updated and relevant information could be obtained by the faculties. The state government has provided with a single sign-on facility to all the employees of the state, all the departmental applications are inter-linked through it, every employee is having his/her own unique ID and updated HR profile. Now the pension claims of the retired employees are being addressed through online platforms.

2. Finance and Accounts :

The e-governance protocol is best implemented in affairs relating to the management finance and accounts. The Government of Rajasthan has crafted an umbrella cover for managing finances it is known as IFMS (Integrated Financial Management System), the college is having its own dedicated log-in for IFMS and the salaries of the employees are disbursed from an online platform 'Paymanager' through automation. The college is having a safe and secured procurement mechanism supported by 'State Public Procurement Portal' and 'GeM' (Government e-market) for buying and hiring of goods and services. The single sign-on facility is available for logging into applications related to State Insurance and General Provident Fund. Payment to vendors is done using RTGS and NEFT.

3. Student Admission and Support :

It is mandatory for a student to fill an online form for seeking admission in the college, the merit is generated by automation and the fee is also deposited through NEFT and RTGS. The Student Satisfaction Survey is also conducted through a Google form, whereas the students are mentored through WhatsApp groups.

4. Examination:

Maharana Pratap Government College Chittorgarh is affiliated to Mohan Lal Sukhadia University Udaipur, most of the communication taking place between the college and university is done through exchange of emails. The exam related issues are widely addressed through e-means viz. admission card, time table, old question papers, syllabus, elective papers scheme etc. and other things could be downloaded by the student directly from the university website. The tabulation roll (T.R.) is sent through soft means by the university to the college. The exam related grievances are redressed through e-mails. The university exam, re-evaluation, enrollment forms are submitted online and the fee is deposited through NEFT and RTGS.
