

Maharana Pratap Government College, Chittorgarh (Raj.)

Date: 01-07-2022

Annual Gender Sensitization Plan

The annual gender sensitization plan for the session was implemented in accordance with the requirements of the institution. The college has two statutory bodies to look after the issues relating to women. The two bodies include: Women's Cell and Cell for Prevention of Harassment of Women.

The annual gender sensitization plan comes into effect from 1 July each year. The plan outlay for the same is as follows:

The following measures were undertaken for gender sensitization:

- **The students are to be mentored through a WhatsApp group and personal counseling:**
The college students are mentored through a WhatsApp group managed by a teacher and a personal counseling mechanism is also in place for students.
- **The students were counseled on various issues through online means:**
The students were provided with phone numbers & emails of the faculties that would redress their grievances related to gender issues. The students could approach the teachers through emails and phone calls.
- **Conduction of webinars related women's issues:**
The Women's Cell conducts webinars related to issues faced by womenfolk. The webinars are aimed at creating awareness among students: the girls as well as the boys.
- **Distribution of sanitary pads among students:**
The Government of Rajasthan has launched a scheme (named Udaan) for free distribution of sanitary pads among college going girls for improving their personal hygiene standards. The scheme is managed by the women's cell of the institution.
