

## My Profile: DR.HANUMANT SINGH CHOUHAN

(DR.HANUMANT SINGH CHOUHAN)

**Introduction :** My name is Hanumant Singh Chouhan and working as an Associate Professor in Chemistry in S.M.C.C.Govt. College Aburoad (Raj.) from last 25 and half years. I was born in Aburoad and completed schooling from Railway Senior Secondary School Aburoad which was established more than 125 years before from today .After that I have completed Higher education from JNV University, Jodhpur (Raj.) In the year 1993 I have received Ph.D. degree.

**About Myself:** I was born in Aburoad in the year 1969 and after completing eleven years of schooling , joined college for higher education and completed M.Sc. in chemistry in the year 1991.I am here in this college since last more than 25 years. Last year I have been published a book ,`The Environmental Chemistry: An Introduction `` and till today 17 Research Papers have been published in various national and International Journals. In the year 2012 UGC Bhopal sanctioned me a Minor Research Project .Recently I became a Research Supervisor by M.L.S. University, Udaipur and having one research scholar under my supervision.

**College Responsibilities:** I have performed the duties as a games in charge for 7 to 8 years and conducted intercollegiate tournament. In my tenure cricket team of the college represent in university. I was also NSS program officer for 4 to 5 years in this college and organized one day and ten days camps in nearby villages. I am also serving as a Treasurer in College Development Committee for last 8 years and before that serving as a secretary. I am also in charge of AISHE and work done on several project in UGC of this college.

**Teaching:** With more than 25 years of teaching experience I taught Inorganic Chemistry, Organic and Physical Chemistry along with their practical also for UG classes. As the time changes and new technologies introduced in teaching learning, I have changed and recharged myself for online teaching. Today I used to teach with electronic writing pad and some teaching software also.

**Other Related Information:** Science stream was open in the year 1983-84 in this college, in spite of that there is no PG in Chemistry till today in this college but I have done a huge efforts every years from last five to seven years to open PG in chemistry for the benefit of the students.

...thanks
