6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision of the college

Shri Govind guru Government College is the biggest centre of higher education in the southern part of Rajasthan. It has been granted the status of Centre for Excellence-Model College by the Directorate of College Education, Rajasthan, Jaipur. The College aims to mould the student community hailing mostly from the marginalized and weaker sections of the society into better individuals, and guide them to contribute constructively towards national goals by upholding the values of secularism, national integration and social commitment.

We have the vision that the students after moving our campus should be internally enlightened, emotionally sound and practically efficient. The college aims at instilling leadership qualities in its students to make them educationally sound, intellectually competent, morally upright, psychologically integrated, physically healthy and socially acceptable to the society and who will champion the cause of justice, truth and peace and who are open to further growth.

Mission of the College

Our mission is to impart quality education and exposure to the students and equip them to cope up with the latest requirements, through innovative techniques and practices. We are convinced that proper education is the best resort to uplift the youth in the rural and tribal areas, and we are committed to facilitate meaningful education for our students.

The college aims at providing education for all round development of students with the mission of “**धियो योनः प्रचोदयात्**” “**May the Benevolent God inspire us with purity of Soul and Mind**” to meet the challenges in the future. The institution is committed to the under-privileged segments of the society and students with high potential facing difficult financial circumstances, so as to bring them at par with the mainstream. We remain dedicated to the principle that higher education should be accessible to all, especially students from tribal and rural background.

6.2 Does the Institution has a management Information System

No

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- This is an affiliated college, thus institution has to follow the University syllabus. The curriculum designed by the University is discussed in the respective departments, among faculty members and academic peers. This feedback is then communicated to the University through the representatives of the institute in Committee of Courses.
- Faculty members represent the college in the Committee of Courses in the University and they are selected for three years
- Teacher Feedback- Majority of the teachers feels the need of revision in the current curriculum and strongly promotes the interdisciplinary approach in the curriculum.

6.3.2 Teaching and Learning

- This college was established with a holistic and all inclusive approach to impart education in its true sense, to cater to the needs of socio- economically backward sections of the society and above all enhance accessibility to knowledge. This objective is effectively accomplished with the help of qualified faculty and zealous students. Besides developing a scientific temper through research, the institution offers a platform to inculcate creative and critical thinking. It believes in creating a constructive learning environment with an aim to trace and trap the hidden potential especially of students coming from rural tribal background.
- The time table committee of the college prepares a general time table and gives to the college at the commencement of the programme.
- Departments prepare individual subject wise time table in tune with the general time table on discussion with head of the departments and other faculty members.
- Faculty members are requested to prepare individual academic calendar in tune with the general academic calendar and to adhere strictly to the schedule.
- Attendance are recorded in the regularly by faculty members and transferred to the concerned section.
- Faculty members are encouraged to use ICT enabled technology for teaching. All final year degree and PG classes are provided with ICT gadgets.
- Students have different learning behaviour and they vary in their abilities. Keeping this in mind, the teachers first identify the needs of the learners and then modify teaching strategies as per their learning styles and requirements. Teacher encourages experiential learning.

6.3.3 Examination and Evaluation

- All the rules and regulations pertaining to examinations are laid down by the Affiliating Govind Guru Tribal University, Banswara.
- The internal examinations help to estimate learning outputs among the students.

6.3.4 Research and Development

Strategies to strengthen research and development are:

- Encouragement and support to faculty members for organizing/participating national, international seminars, workshops etc.
- Encouragement and support to faculty members for applying Minor Projects to various agencies of India.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library

Library Committee suggested a list of books based on interaction with the students and faculty members. This list was forwarded to concerning authority for sanction and purchase of books.

The college library has an area of 715.33square metres. It has a sitting capacity of 200 students. The library has vast collection of books and journals. Best Practice -2

Title of the Practice-

ECOFRIENDLY CAMPUS

The college campus is situated outside the city area in an eco-friendly environment of district Banswara. The campus was maintained as a plant diversity rich area having large number of plant species naturalized and planted in the area. The steps are taken to make the campus green and protecting a large number of herbal and medicinal plants in the campus. The availability of opportunities to practice the natural environment was considered as a pointer of the potential for increased ecological awareness.

Wastes, the different types of pollution and the loss of biodiversity are some of the issues related to the environmental deterioration. The environmental consciousness programs are arranged for maintaining an ecofriendly campus which gives environmental awareness to the students and local people.

- The 'Paryavaran Samiti and Campus Cleaning committee' imparts knowledge of conservation of nature to the younger generation by organizing seminars, talks, discussions and plantations programmes at the college.
- The Botany Department, NSS students, Paryavaran Samiti maintains *Kalpavriksha*, *Ashok*, *Neem*, *Sheesham* and *Senjan* planted in this campus.
- Planting rare plants by the VIP's, students and staff of the college.
- Periodical visit of the faculty of Botany department and collection and documentation of plants noted in the area.
- Collection of medicinal plants, fruit bearing plants, rare plants from the nearby nurseries
- Plantations of *Neem*, *Bamboo*, *Ashok*, *Mango*, *Casia*, *Kachnar* and *Amla* were maintained in the campus which makes the campus green and that maintain the carbon neutrality.
- The Department of Botany is also maintaining the plants such as *Colius*, *Tradescantia*, *Rhoea*, *Euphorbia*, *Dracaena*, *Croton* etc. at the department which are kept in pots. Some of them are used in their practical exercises too.
- Wide spread planting and maintenance of flowering plants in the campus.
- Maintenance and greening of campus by the NSS volunteers, Research scholars of Botany, Sanskrit, Hindi department, and the M.Sc. Botany and M.Sc. Chemistry students of the college

- Environment awareness seminars and group discussions have been conducted by the college to develop awareness among students about need to prevent wastes and maintain a green and eco-friendly campus.

7.4 Contribution to environmental awareness / protection

❖ **Energy conservation**

- Campus was maintained plastic & litter free.
