

Veer Bala Kali Bai Government Girls College Dungarpur (Rajasthan)
AISHE Id C-39914

7.2.1- Best Practices in the College 2021-22

Best Practice- 1

1. Title of the Practice – Use of Solar Power
2. The context that required this practice: Frequent Power cuts in this region
3. Objective of the Practice – To use renewable energy
4. The Practice- The institute is using the solar power from 2 Kwh off-grid solar power plant installed at the college building in 2012. Since then it is continuously being used
5. Obstacles faced if any and strategies adopted to overcome them – the fund received from UGC was utilised for this purpose.
6. Impact of the Practice – There was no power cuts in the office and that improved the office work
7. Resources required – Just regular maintenance of batteries is required that is done routinely
8. About the institution -

 - v. Email: principal-vkb@gov.in, vkbcollegedpr@gmail.com
 - vi. Contact Person for further details: Dr. P. L. Katara, Principal
 - vii. Website: <https://hte.rajasthan.gov.in/college/ggcdungarpur>

Best Practice- 2

1. Title of the Practice – Quit Tobacco Initiative
2. The context that required this practice: People in this region consume tobacco and even some of students use it.
3. Objective of the Practice – To educate students about harmful impact of tobacco on their health
4. The Practice- The NSS and YDC cell regularly advice them against this practice and also keep them informing about its harmful impact on their future health and medical problems that they may face due to tobacco consumption in any form.
5. Obstacles faced if any and strategies adopted to overcome them – Many times students are careless about its harmful impact and some students ignore our advice.
6. Impact of the Practice – Students are aware about harmful impact of consumption of tobacco on their health and we hope that they might have quit tobacco.
7. Resources required – None
