

# Internal Quality Assurance Cell

Veer Bala Kali Bai Government Girls College, Dungarpur 314001 (Rajasthan)

Date: 11-04-2018

## Meeting

A meeting of IQAC members was held in the office of the principal and chairman of IQAC cell. The committee members made following plans for the session 2018-19

The college has received sanction for 8 classrooms and work has already started. Therefore the classes will run regularly from next academic section.

Organizing One day workshop on RTI, Transparency, Good Governance and Quality.

Organizing Training of teaching and non-teaching staff for use of IT

Developing internet facility for students and e-library for staff and students

Computerization of all departments and establishing computer laboratory

Persuading Local authorities and other authorities for more classrooms and laboratories, seminar halls

More efforts to generate funds for developing gardens, playground and sports' facilities

Continuing effort to make campus green and establishing fountains for gardens as well as planting trees around the boundary of the college.

Developing Water Harvesting System

Developing drip irrigation system so that plants survival rate increases as only 20 plants are surviving out of 100 plants that were planted last year.

Approaching RUSA for infrastructural development like administrative block, library building, geography department, PG department and conference hall

Approaching local authorities to cover the front area of the stage so that students' can perform without hindrance of weather.

To take benefit of possible opportunities as and when they are available in the interest of Students
