Date: 28.02.2019

Meeting

A meeting of the IQAC members was held in the office of the principal incharge and chairman of the IQAC Cell on February 02, 2019 at 3.30 pm and reviewed the progress during the year.

The committee inspected the ongoing land filling work in front of the college building in the campus and observed that land filling work is almost half completed. It was observed that the work is going on smoothly and hope fully by the end of this year, the land filling work will be finished.

Also it was felt that this year eight new faculty members have joined fresh service while five faculty members have been transferred, therefore total staff has increased in the college.

It was also observed that e-class room facility developed by CISCO is not fully operational, so efforts are needed to improve its uses and its time schedule is to be prepared so that students can use this facility in those subjects where faculty is on deputation or the post is vacant.

Four faculty members were trained in Microsoft Powerpoint by Microsoft in association with Commissioner College Education and Government Meera Girls' College.

The committee also visited the newly constructed classrooms and the ongoing work there.
