Date: 07.04.2021

Meeting

A meeting of the IQAC members was held in the office of the principal incharge and chairman of the IQAC Cell on April 07, 2021 at 1.00 pm. The committee approved the minutes of the earlier meeting and made following observations

This session was difficult because of covid-19 pandemic related problems. Still our faculties worked hard to complete the course through online and offline mode.

The committee members visited the ongoing construction work and asked the contractor to expedite the work. The committee was apprised of the fact that the college has already requested the PWD officials about the other upgradation of the college building to make it safer when the PWD officials visited the construction site.

The committee also felt that the ground leveling work for development of ground is to be complete so that atleast 110 m x 110 m of area is leveled.

The committee felt the need for immediate repairing/re-installation of pure water along with cooler facilities

The committee felt satisfaction that overall this year the institute could do the good work in spite of the difficulties due to covid-19 pandemic
