Date: 13.07.2021

Meeting

A meeting of the IQAC members was held in the office of the principal incharge and chairman of the IQAC Cell on July 13, 2021 at 1200 hrs. The committee approved the minutes of the earlier meeting and made following observations

The examinations of students of the session 2020-21 has again postponed due to lockdown imposed by the State Government in April 2021. The classes were suspended in the March itself due to rising cases of Covid second layer.

The committee observed that the estimate of the work to be done has not yet been received by the PWD and it was decided to expedite the process with the Government Agency. Also the committee feels that this year the leveling work of the ground should be undertaken so that atleast 110m x 110m of area is leveled.

The committee felt the satisfaction that the tender process of the RO pure water system has been completed and very soon the pure drinking water will be available to the students. It may cost around ninety thousand rupees.

The committee also observed that the garden in front of the college building need to be maintained properly. So efforts to be made to do the work needed as well as Plantation work should be taken on warfooting.

The committee visited the construction site and also felt that the upgradation of girls toilets should be undertaken and parking facilities should be upgraded. The committee observed that the college need to install atleast six fire extinguishers as per the government rule. The college should also develop facilities for online teaching via google meet or webex etc and uploading video lectures on youtube so that all classes can be taken through online mode.
