

Veer Bala Kali Bai Government Girls' College, Dungarpur

Procedures and Policies for maintaining and Utilizing Physical, Academic and Support Activities

Maintenance of Physical, Academic and Support Facilities are performed from different budgets like Government Fund, Boys Fund, Development Fund, UGC and other agencies. The budget is used as per the established norms of General Financial and Accounting Rules (GF&AR) of Government of Rajasthan.

The Utilization of these facilities is based on the need as decided by various committees and also by students representatives.

The procedures are well organized and decentralized through different committees. A few of the important committees are as below:

College Development Committee

The College Development Committee (CDC) comprises of Principal (Chairperson), MP, MLA, Chairperson of Nagar Parishad, Assistant Director-College Education, Senior Faculty Member (Secretary), Two Eminent Academicians, Two parents and One Member Nominee (Nominated by Principal from Existing Faculties). The CDC conducts regular meetings to discuss and prioritize demands laid down by various departments and stakeholders. It decides to utilize the funds generated in CDC account and also give suggestions for improvement of college infrastructure and other facilities

Purchase Committee

The purchase Committee is involved in procurement of materials and services in the college as demanded by different stake-holders and after appropriate sanctions. The committee consists of Principal, two-three senior faculty members, Account section, and other faculties as required. The purchases are strictly as per the norms laid down by GF&AR of Government of Rajasthan

Library Committee

The Library committee oversees the smooth functioning of the library, issuance of books to students, purchases of new books and other related matters.

Cultural Committee

The cultural committee with the help of students' representatives oversee the cultural events that are organized annually or as per the Cultural Events schedules provided by the office of the Commissioner, College Education, Rajasthan

Cleanliness Committee

This committee helps in maintaining the campus clean and motivate students about the clean and green environment.

Scholarship Committee

This is a very useful support system for students and the committee verify various scholarships for which students are eligible. This whole process from filling of form to disbursal of scholarship is now online through scholarship portal of the Government of Rajasthan.

Sports Committee

The sports committee proposes various sports events in the college annually and also recommends demand for sports related requirements.
