Office Note

Meeting

A meeting of IQAC members of the VKB Government Girls College Dungarpur was held in the office of the Chairman of the committee, The Principal. The committee members suggested that there is need for innovative learning classes for students to keep pace with the changing world. On further disussion the committee unananimously recommened to organise one day workshop cum training on Innovative teaching methods where training on fish bowl technique and use of Multimedia as well as other methods may be imparted to the faculty members of the college. Committee members agreed that the expenses of the training programme shall be met out of the IQAC contingency and ICT expenses

The committee also found that since smart board is installed in three lab cum classes/seminar room, it will be next step to start using these facilities by the faculties. The committee also expressed their pleasure that a few teachers has already started using these facilities.
