Armed Forces Flag Day

The **Armed Forces Flag Day** or the **Flag Day of India** is a day dedicated to honouring the soldiers and veterans of India's armed forces. It has been observed annually in India on December 7 since 1949.

The idea behind observing a Flag Day was to distribute small flags to the general population and in return collect donations. Flag Day gains more significance as it considers that it is the responsibility of the civilian population of India to take care of the families and dependents of the armed forces personnel who fight for the country.In our college it was also observed by the active participation of NSS students and faculty.
