3. Dr. Ravi Fageria (Member)
4. Dr. Abhilasha Choudhary (Member)
5. Mrs. Chandrakala Sharma (Member)
6. Mrs. Amita Nehra (Member)

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising except last two years. On invitation, many reputed industries visit the college to conduct interviews.

We have been successful in maintaining our placement statistics over the years and the fact that our students bear the recession blues with good placements itself is a testimony to our quality. Our ingenious alumnae have set new standards in the corporate world through their estimable contributions and it is our firm conviction that we will continue that legacy in the years to come.

The Placement Cell organizes career guidance programmes for all the students starting from first year especially in science and commerce. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for final year students.

TATA CONSULTANCY SERVICES and LIC have accredited our college in the year 2019, from which they are visiting our college every year for conducting Placement Training programmes and Campus Interviews.
