

## PLANTATION IN COLLEGE

On 29.10.22 under the Green Rajasthan and each home medicinal program plantation work was done by the faculty and students. A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.
