

Shramdaan on 15.10.2022 in College Campus

The word Shramdaan means labour (Shram) and donation (Daan). Shramdaan means a voluntary contribution by the person towards community welfare involving physical effort. It is a way of helping our community and contributing to help and change the environment around us for better.

Shramdaan is also related to the dignity of labour and the more profound claim that all labour is equally socially necessary. Mahatma Gandhi believed that it is not cleanliness only that is important, but a social order based on equal status is the essence of Shramdaan. A hundred years ago, Mahatma Gandhi began to move Indian society in the direction of nationhood, and no doubt Shramdaan is a great way to achieve it.

Shramdaan is essential for the wholesome development of the society, including the person himself. Shramdan activities motivate people to live in hygienic surroundings. Shramdan inculcates simplicity in the minds of every citizen, freedom from the complexity of the thoughts and the importance of cleanliness and green environment. Shramdan also includes social service, plantation and cleaning of the environment around us. Shramdaan affects positively the lives of many people striving to grow and develop.

In the college on the morning of 15 October 2022 from 07.00 am to 9.00am the shramdaan was done by faculty members and Principal. It followed the orders imparted by The District Collector of Sikar. This collective effort brought a sense of unity and ownership among all staff members while also resulting in a clean and green campus.
