Meeting of IQAC

दिनांक. 22.7.2017

The IQAC of the college held a meeting today on 22.7.2017 at 3:00 P.M. in the Principal office.

Several issues were discussed related to the infrastructure and the activities of the college. The member of the IQAC suggested following points :

1. As the college uses Computer Application as a compulsory subject and as also the knowledge of computer is the need of the hour, some more desktop computers alongwith computer tables and printers should be purchased for the benefit of students.
2. Books are great source of knowledge To keep the students and faculty members updated with the knowledge in their subjects as well as the happenings and events around the globe, the library of the college should be enriched and equipped with more and more books. All the HOD's can suggest important books of their concerned subjects so that the books

may be purchased timely.

3. An Induction programme for the students (particularly for the newly admitted students) to acquaint them with all sorts of activities and programmes that run throughout the session in the college.
4. To cater the need of increasing no. of students, more furniture (chairs and tables) should be purchased. This purchase would make the sitting arrangements better in classrooms, central hall, library and during examinations.
5. Throughout the session, the various committees and organs of the college keep organising multiple educational, cultural, co-curricular activities and the record thereof is very important to be maintained in the form of photos and videos. For this purpose the purchase of a good quality camera is highly recommended.

6. The faculty members should be encouraged more and more in research activities.
7. The implementation of the curricular and co-curricular activities strictly according to the academic calendar should be ensured as always.
8. For various curricular and co-curricular activities/ competitions / classes, the need of LCD Projectors is often felt, especially when the number of students is large. So more LCD Projectors should be purchased for effective carrying out of these activities.
9. Equipments and class-work materials for effective and smooth conduct of practicals in science subjects should be procured/purchased/repared according to the need.
