6.1.1 The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance.

Vision

- Provides support to students through an academic advising centre, computing facilities, peer advising, tutorials, counseling and health services.
- To Provide library resources and services to support the academic needs of the institutions. Integrating technological development across the curriculum.

Mission

- Rajgarh College aims at producing skilled, knowledgeable, cultured and environmentally responsible workforce to meet the present and future demands and challenges of the nation. Provide all possible facilities to build up personality and character of students.
- We provide all infrastructure and fear-free environment for sustained growth of academic career of college students.
- We encouraged students to participate in different co-curricular and extracurricular activities, including sports, cultural and social activities.
- To empower students through education to make them strong, self-reliant, responsible and secular human beings, professionals and citizens. To help the needy and economically weaker students in education.
