DVV Clarification 1.3.2.1 Courses that include experiential learning

Courses which include experiential learning through project work/ field work are under and post-graduate courses in the discipline of Geography and Botany, the curricula of which as prescribed by the university have been presented.

'Aanandam Program', a compulsory course launched in session 2020-21 by the University of Kota, Kota implied real life activities of goodness for the welfare of the community at large; order of the state government and subsequent order of the university regarding the implementation of the course have been accommodated.
