

Ph. D. Viva Report

Ph.D. viva- voce of Sonal Gupta, Research Scholar, Government College, Kota, Raj. has been successfully conducted on 12/10/2023 at 12.00 noon via online mode. The thesis was submitted and evaluated by two examiners entitled "Conversion of Renewable Biomass Feedstock into Value Added Bio-Chemicals over Solid Catalytic Materials". The following examiners were present for viva-voce -

1. Dr. Jaspal Singh, Associate Prof., Gurukul Kangri, Haridwar, Uttarakhand
2. Dr. Renuka Jain, Prof., Government College, Kota, Raj.

Total 50 faculties, research scholars, UG and PG students were present during the viva-voce via online and offline mode. The viva- voce was arranged online at the Venue-Smart Science Lab, Govt. College, Kota, Raj.

During the session, initially welcome ceremony and power point presentation on thesis was performed. Various questions were asked by the examiners to the candidate, all questions were successfully defended by Research Scholar, Sonal Gupta. At last vote of thanks was given by the supervisor Prof. (Dr.) Renuka Jain.
