

## **VISION AND MISSION OF THE COLLEGE**

To provide affordable quality education, while equipping students with knowledge and skills in their chosen stream, inculcate values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future leaders, entrepreneurs and above all good human beings. To strive for quality education in keeping with the motto of the college, “Excellence in Education” and prepare young minds for imbibing knowledge, skills and sensitivity.

To be a leading global technology institute that provides a transformative education to create leaders and innovators, and generates new knowledge for society and industry.

Institution ensuring academic excellence, fostering Research, Innovation and Entrepreneurial Attitude.

A transformative impact on society through continual innovation in education, research, creativity and entrepreneurship. To educate and train the student to be efficient, empathetic and socially responsible individuals.

The college fosters academic and career success through the development of critical thinking, effective communication, and creativity, cultural awareness in a safe, accessible and affordable learning environment. Simultaneously, the institute provides transformative learning experiences in a socially responsible, inclusive community—anchored by its Core Values—which promotes academic excellence, inspires innovation and entrepreneurship, fosters an agile mindset, and prepares graduates to contribute to a global society that is increasingly focused on change.

To create a transformative educational experience for students focused on deep disciplinary knowledge, problem solving, leadership, communication, interpersonal skills; and personal health and well-being.

To cultivate a transformative community committed to-

- (a) Attracting and retaining diverse, world-class talent,
- b) Creating a collaborative environment open to the free exchange of ideas, where research, creativity, innovation, and entrepreneurship can flourish; and
- (c) Ensuring individuals can achieve their full potential.

Also -

- To offer courses to the students for enhancing professionalism, humanism and social responsibility through quality education.
- To inculcate values of discipline, hard-work, team-spirit, scientific tempers and to develop critical thinkers.
- Endeavor to stretch the intellectual and creative capacity of the youth and to empower them to assume leadership and market acceptability.
- To promote education that would be liberal and progressive which contributes to the new dimensions of the education
- To be a student centric institute imbibing experiential, innovative lifelong learning skills and addressing societal problems.
- To promote and undertake all-inclusive research and development.
- To inculcate entrepreneurial attitude and values amongst Learners.
- To strengthen National and International, Industrial and institutional collaborations for symbiotic relations.
- To mentor aspiring Institutions to unleash their potential, towards nation building.
- To create an ambience in which new ideas, research and scholarship flourish, and from which the leaders and innovators of tomorrow emerge.
- To address problems faced by the nation and the world through the talent we nurture and the research we do.
- To provide an education that transforms students through rigorous coursework and by providing an understanding of the needs of society and industry.
- To collaborate with other academic and research institutes around the world to strengthen the education and research ecosystem.
