4. Whether AQAR was placed before statutory body ?	No
5. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
6. Whether institutional data submitted to	Yes
ear of Submission	2018
Date of Submission	03-May-2018
7. Does the Institution have Management nformation System ?	Yes
f yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	Commissioner, college education is the controlling and monitoring authority. The following systems are fully functional in the college • Biometric attendance system for all staff. • Almost all the communications are through email which expedites the working system and is also Ecofriendly. • The admission process is transparent and online for both UG and PG classes. The college is using the online admission module provide by Commissionerate college education. All information regarding the date of filling admission forms, subject availability, cut off percentage, fees etc. are available on the web portal. • Almost all the payment systems are

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Government College, Hindaun City is affiliated to University of Kota. The college offers 8 subjects (Hindi Lit., Sanskrit, Political Science, Sociology, History, Economics, Philosophy and Computer Science) under Arts Faculty; 5 subjects (Zoology, Botany, Physics, Chemistry, and Mathematics) under Science Faculty; 4 subjects under Commerce Faculty (ABST, EAFM, Business Administration and Computer Science) up to the Bachelor's level. At the Post Graduate level, Hindi Lit., subject is offered by the college. The curriculum mandated by the University of Kota is followed and completed during the session. Different teaching methods like boards, chalk, charts, models along with OHP and LCD etc. are used during classes. Students are taught Elementary Computer and Computer Science at the college in ICT & Computer lab and it is ensured that they practice these skills themselves during sessions. Special classes for Environmental Studies are also conducted by the college. Regular Term tests, Monthly tests and Surprise tests are conducted for the purpose of internal evaluation. The college declares and follows a time table to conduct the examinations for regular students of both UG & PG courses. The college also appoints external examiners for practical examinations. Each student is evaluated both by the External Examiner as well as Internal Examiner during practical exams. College faculty is also appointed as External Examiners by the University. Faculties act as paper setters and answer sheet evaluators for the University exams. Regular revision classes and doubt clearing sessions are also organized by the faculty in addition to mandatory classes. College has a , well stocked library to help students in their academic journey. Text books, reference books, journals, magazines, newspapers etc. are made available for their use in the library. The library is appropriately furnished to be used by students if they want to sit and study and there is also the provision of issuing books in case they want to take it home. A book bank has been created to help economically weaker and needy students.

on Continuous Intern	al Evaluatio	n(CIE) syst	em at the institutio	onal le	evel (250 words)		
2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words) The academic progress of students is monitored through continuous evaluation. Internal tests are scheduled according to the dates mentioned in the Academic calendar. Question papers are framed as per the syllabus prescribed by the university. Faculties have evolved many mechanisms of self evaluation among students like group discussions, quizzes, debates, surprise tests, seminar presentations etc. The students are also consulted on the mode of assessment by individual teacher so that they can give their impacts concerning the best method for their self evaluation helping them to prepare for their final examinations. Teachers go out of their ways to give slow learners multiple opportunities to improve their performances. Teachers also go through the diagnosis of learning gaps by giving extra attention so that no student is left with learning gaps. Students involved in sports and cultural activities, rover cadets and active members of NSS involved in extracurricular works are given special opportunities to catch up with the rest of the class. Study plans are framed by faculties in accordance with the available classes mentioned in the calendar for effective performance.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

This is an Institution of Government of Rajasthan. The academic calendar is prepared at the level of Commissioner College Education Rajasthan, Jaipur. All government colleges of the State of Rajasthan need to follow strictly to the provided academic calendar. Our college is affiliated to the University of Kota, therefore, the schedule of the examination is framed by it. This Institute also follows this academic calendar. The admission process in the college is completed according to the admission schedule. The teaching session in college started on 01 July, 2017. During the session, the teaching work was performed by the college faculty members in theoretical and practical classes. Class term tests were conducted by faculty members according to the academic calendar. A part from this, monthly tests are also conducted. According to the academic calendar, the co-curricular activities like cultural and literary activities were organized at college, division and state level. Along with this, inter-class sports competitions were also organized. Student Union elections were conducted on the date declared by the Commissionerate College Education. A prize distribution ceremony was organized at the college in which prizes were distributed to the winner students in academic, cultural, literary and sports activities. The annual examinations of the university were conducted in the college as per time table framed by the University of Kota.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

The Government College Hindaun has a well-organized and decentralized mechanism of maintenance of physical, academic, and support facilities through constituting different committees. Student Fund Advisory Committee- Management of student fund collected is under the purview of Principal, assisted and advised by Students Funds Finance Committee. This Committee frame rules, define the power of expenditure to be exercised by the various committees and deal with matters related to the proper utilization of funds as per the state government directions. College Development Committee- College Development Committee comprises of Principal (Chairperson), MP and MLA, Chairperson of Municipal Council, Assistant Director-College Education, Vice Principal/Senior Faculty member (Secretary), Two eminent academicians, Two parents, One Member Nominee (Nominated by Principal from existing faculties). CDC conducts a minimum of 3 meetings in academic session to discuss and prioritize demands laid by various departments. It generates and manages extra funds from government and non-government agencies in favour of college for infrastructure and academic maintenance. Purchase Committee- For maintaining the transparency in the procurement process, a purchase committee comprising of Principal, two/three senior faculty members, store in-charge and accounts personnel exists. Demands for all infrastructure requirements with the approximate budget are laid by the departmental heads or committee in-charges. Every purchase strictly follows GFAR rules. Building Committee and Maintenance Committee-Building Committee makes necessary arrangements for adding new academic infrastructure and care of the maintenance of the building in the college as per the need of the institute. This committee liaison with the PWD or other agencies as notified by the state government for civil work. Committee verifies the civil work carried out by contractors. Maintenance committee takes care of any ad-hoc maintenance on the part of electricity, plumbing, instruments office makes the arrangements according to the demands raised by the departments and as per the direction of the maintenance committee. Library Committee- Since last few years library is not supported by librarian considering this library committee strategically sketch/draft the smooth functioning of the library for maximum utilization of the library. Departmental In-charge with a consultation with the faculties provides a list of books to library committee for purchase.

IT Committee- IT committee look after the maintenance of the IT infrastructure and the usage policies. Website coordinator ensures the updating of the college web portal. Cleanliness Committee- Cleanliness Committee takes care of the cleaning of campus area as well as classrooms and labs, conducts programmes with the collaboration of government and non-government organizations. The committee supervises the rainwater harvesting and water conservation and management. Sports Committee- The committee consists of the Director physical education, faculty members and Store in-charge. Sports Committee supervise the management and execution of sports and the Physical Education-related activities, including the procurement and maintenance of all types of sports

inventories.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Representation is given to students to various academic and administrative committees in the institution. On the basis of Lyngdoh committee recommendations Elections for student union in college are held every year in the month of august. These elections are conducted for president, vice president, general secretary and joint secretary. This executive council acts as mediator between the faculties and the students. The students are encouraged to write essay, make charts and prepare models. Quizzes and various competitions like rangoli, story writing, slogan, greeting cards are organized by these association. College Student Union is consulted and made aware of the major developmental projects and measures of Student Welfare in the college. Student Union also plays an important role in cultural, sports and other events and activities of the college. Student union is the statutory representative of students in the college. Student members of the associations also observe important days like National Festivals, Birth/Death Anniversaries of important leaders, International Women's Day, International Yoga Day, Sports Day, Nonviolence Day, Teachers Day, Blood Donation Camp held each year in the college premises along with the NSS Units of the college. The student union helps students in filling the exam form during admission time and in other works

5.4 – Alumni Engagement

5.4.1 - Whether the institution has registered Alumni Association?

Yes

5.4.2 – No. of enrolled Alumni:

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institute firmly believes in the practices of decentralization and participative management. Decentralization and participative management change representative democracy into participatory democracy. Decentralization is having a significant impact on policy, planning, management, implementation and monitoring of the policy. The college follows all such norms laid down by the Government of Rajasthan and UGC in Academic and administrative Aspects. It is a means of improving the efficiency of education system and the quality of educational service. The decentralized governance model is evident in every sphere as each department/faculty functions as a separate sub-unit, in deciding and implementing the student-centric programmes and activities. Principal is the administrative and academic Head, followed by vice principal and department head. The principal meetings of the department are held often consider the suggestions are sent to the principal, the principal in consultation with all department heads the final decision is arrived at. The college follows all such norms laid down by the Government of Rajasthan and UGC in Academic and administrative Aspects. The examinations are carried out periodically throughout the year for which there is separate examination department.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum development is defined as planned, a purposeful, progressive, and systematic process to create positive improvements in the educational system. 1. Learning to Build Your Curriculum Focus on the Students 2. Ask for Help 3. Choose a Supportive Program 4. Schedule Planning Time 5. Remember U- Turns are Allowed 6. Plan for Feedback and Assessments.
Teaching and Learning	Teaching and learning is a continuous process for holistic development of students. Teaching and learning is a process that includes many variables. Besides that the Wi-Fi facility is provided in the campus at different places so that students can access learning apps and study materials online. At the beginning of the session, a class time table is prepared for teaching in class, according to which class is taken by each teacher. The time table is pasted on the notice board to inform all the students. These variables interact as learners work toward their goals and incorporate new knowledge, behaviours, and skills that add to their range of learning experiences College follows participative and inclusive teaching - learning methodology. Some of the faculty members do ICT enabled teaching. In addition to this other methods like chalk -duster, presentations etc.
Examination and Evaluation	Examinations are conducted from time to time for the academic advancement of the students like as- regular class tests, terminal tests are conducted. Tests and examinations are based on the University pattern. The University results of students are analyse by concerned committees and suggestions are given for improving them. The answer sheets of home examinations are provided to students and suggestions are given to improve their results.

Research and Development	Research and development are very important for students, Faculties and society. students are encouraged to participate in research activities. There is a Research Committee in the college for promoting research environment in the Institution. Teachers participate in Orientation, Refresher and short-term programmes. Teachers are motivated to present and publish papers in Peer reviewed journals, Non-Peer review journals and conference proceedings at International, National and State level
	International, National and State level seminars

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	All the grants are received through online banking. Implemented SMS system for dissemination of information and notice to the all stakeholder including regular students. Similarly the utilization and expenditures processes are online too.
Administration	All employees have their personal SSO ID to update and connect with Government information portal. With the help of developed technological world college staff uses the same for administration purpose. Such as use of Smartphone with inbuilt social app like Gmail and What's app. They share the notes to students. It helps to provide the brief notice of any event to be happened on college. The college have Biometric attendance for teaching and non-teaching staff. The administrative decisions and circulars of the Department are communicated through website of the College Education. The compliance is communicated through email or updating of excel spreadsheet on Google Drive.
Finance and Accounts	College has fully transparent accounting system. Salary is disbursed through Pay Manager app and all external transaction are done by PFMS and all procurements are done through E- tendering on State Public Procurement Portal. The college conducts regular audit of annual books of accounts. The accounts office maintains the Books of Accounts properly which helps in auditing procedure.

St	udent Admission and	Support	All information related to admission is given on the college notice board, newspapers and web link. While giving admission to the students, the guidelines issued by the state government are strictly followed. Weightage is provided to achievers of NSS, NCC, Sports, scout etc. Admission process is completely online. Students have to submit on line form in stipulated time period. Students who are in merit list/ waiting list get SMS for fee deposition and fee can also be deposited online. Online committee monitors all the process. This process eliminates the need for students and their parents make several trips for admission purpose. Process of filling the examination forms has also been made online by the University. Student can check his or her results and all examination related
	Examination		Process of filling the examination forms has also been made online by the University of Kota. Students can check their results and all examination related notifications on the examination portal of university. The time table related to the exam is put on the notice board. For transparency of conducting University examinations, students are closely monitored by flying squad. The time table related to the exam is put on the notice board.

6.3 – Faculty Empowerment Strategies

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

 Plastic Free Campus: Plastic is harmful material which is not biodegradable. PFC is dedicated to helping college fight single-use plastic pollution worldwide. PFC helps college make a difference for the environment and our own health. 2. Cleanliness: Cleanness is one of the best practices a human being can process. Cleanliness refers to keeping one's self and also the surroundings clean and tidy. It is considered as an essentiality for a civilized society. Since decades, eminent politicians and notable public figures have been stressing on making cleanliness a habit.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://hte.rajasthan.gov.in/dept/dce/university_of_kota/govt._pg_college,_hinda un_city/uploads/doc/Best%20Practices-2017-18.pdf

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college stresses on outreach programmes and inculcates in its students an awareness of the value of a holistic education and an empathy for the less privileged sections of society. Social service is a compulsory component for all students. An active NSS and Social Service Cell organize outreach programmes for the student community.

Provide the weblink of the institution
