CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Government College, Hindaun City is affiliated to University of Kota. The college offers 8 subjects (Hindi Lit., Sanskrit, Political Science, Sociology, History, Economics, Philosophy and Computer Science) under Arts Faculty; 5 subjects (Zoology, Botany, Physics, Chemistry, and Mathematics) under Science Faculty; 4 subjects under Commerce Faculty (ABST, EAFM, Business Administration and Computer Science) up to the Bachelor's level. At the Post Graduate level, Hindi Lit., subject is offered by the college. The curriculum mandated by the University of Kota is followed and completed during the session. Different teaching methods like boards, chalk, charts, models along with OHP and LCD etc. are used during classes. Students are taught Elementary Computer and Computer Science at the college in ICT & Computer lab and it is ensured that they practice these skills themselves during sessions. Special classes for Environmental Studies are also conducted by the college. Regular Term tests, Monthly tests and Surprise tests are conducted for the purpose of internal evaluation. The college declares and follows a time table to conduct the examinations for regular students of both UG & PG courses. The college also appoints external examiners for practical examinations. Each student is evaluated both by the External Examiner as well as Internal Examiner during practical exams. College faculty is also appointed as External Examiners by the University. Faculties act as paper setters and answer sheet evaluators for the University exams. Regular revision classes and doubt clearing sessions are also organized by the faculty in addition to mandatory classes. The college has a fully functional, automated, well stocked library to help students in their academic journey. Text books, reference books, journals, magazines, newspapers etc. are made available for their use in the library. The library is appropriately furnished to be used by students if they want to sit and study and there is also the provision of issuing books in case they want to take it home. A book bank has been created to help economically weaker and needy students. For research work , research center established in the college in year 2018-19.purpose of research center is to enable interaction between faculty, ,students and college to enhance research opportunities ,acadmic excellence, real world problem solving and knowledge creation and dissemination.to explore the unknown and unlock new possibilities.

Feedback Obtained					
Feedback Obtained Feedback from students, teachers, parents, Student Union and Alumni were received through the concerned committees and IQAC during the session. The Principal and the staff were apprised of the various problems and issues which were discussed well to solve them. In addition to this, these issues are also put before the College Development Committee for further action. The college has a registered Alumni Association. Its scope of work is an important part of the development plans of the Institution. Under this association a major responsibility is to formulate development plans for the institution keeping in mind the overall aims of the college, these plans are very beneficial to the institution. The general assembly of the Alumni Association is instrumental in forging emotional bonding and feeling of brotherhood among the students. The					

meetings organized under the association helps in establishing cordial relations among its members, staff, teachers and new students. They also act as guides and mentors to the students and donate their textbooks. The alumni of this college are now working at different top positions and are a proud source of inspiration to students. All such feedbacks and grievances or any other issues are duly addressed by the relevant committees of the college. Principal of the college closely monitors such feed backs from different stakeholders and gets it addressed and resolved under his personal supervision. If the issue cannot be resolved at college level it is referred to higher authorities.

2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

Government College Hindaun City has an effective mentoring system to provide personal and professional guidance (Higher studies and entrepreneurship) to students of all Departments. All faculty members act as mentors and feel responsible towards students belonging to their subjects. The performance of students is monitored regularly. If sufficient progress in terms of attendance and academic performance is not observed, reports are sent to HODs for further counselling. The faculties observe academic performance and achievements of students across three years in the college. Apart from this, behavioural traits such as late coming, proper dressing, regularity and other discipline related issues are also tracked by the faculty members. They offer advice and guidance in academic matters, assist the students in finding college resources such as library and eresources, participating in extracurricular activities, preparing seminars and Conferences notes etc. They also

inform the students about departmental culture such as term tests, departmental tests etc. They address chronic absenteeism, attitudinal problems, and any other academic or personal issues and guide the students. They also Council the outgoing students for their future prospects, so that students can prepare themselves for their career in the final year itself. The academic progress of students is monitored through continuous evaluation. Internal tests are scheduled according to the dates mentioned in the Academic calendar. Question papers are framed as per the syllabus prescribed by the university. Faculties have evolved many mechanisms of self evaluation among students like group discussions, quizzes, debates, surprise tests, seminar presentations etc. The students are also consulted on the mode of assessment by individual teacher so that they can give their impacts concerning the best method for their self evaluation helping them to prepare for their final examinations. Teachers go out of their ways to give slow learners multiple opportunities to improve their performances. Teachers also go through the diagnosis of learning gaps by giving extra attention so that no student is left with learning gaps. Students involved in sports and cultural activities, rover cadets and active members of NSS involved in extracurricular works are given special opportunities to catch up with the rest of the class. Study plans are framed by faculties in accordance with the available classes mentioned in the calendar for effective performance.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

This is an Institution of Government of Rajasthan. The academic calendar is prepared at the level of Commissioner College Education Rajasthan, Jaipur. All government colleges of the State of Rajasthan need to follow strictly to the provided academic calendar. Our college is affiliated to the University of Kota, therefore, the schedule of the examination is framed by it. This Institute also follows this academic calendar. The admission process in the college is completed according to the admission schedule. The teaching session in college started on 01 July, 2018. During the session, the teaching work was performed by the college faculty members in theoretical and practical classes. Class term tests were conducted by faculty members according to the academic calendar. A part from this, monthly tests are also conducted. According to the academic calendar, the co-curricular activities like cultural and literary activities were organized at college, division and state level. Along with this, inter-class sports competitions were also organized. Student Union elections were conducted on the date declared by the Commissionerate College Education. A prize distribution ceremony was organized at the college in which prizes were distributed to the winner students in academic, cultural, literary and sports activities. The annual examinations of the university were conducted in the college as per time table framed by the University of Kota.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 - Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institute firmly believes in the practices of decentralization and participative management. Decentralization and participative management change representative democracy into participatory democracy. 1. Committees: Various committees are formed for the smooth functioning of the college. The Coordinators of the committees are given responsible freedom to conduct academic, co-curricular and extra-curricular activities for the holistic development of the students with consultation of the committee members and after obtaining the approval of the principal. 2. The Principal allows the departments to conduct their activities academic and curricular as well as extracurricular without interfering in the planning and execution. The concerned department needs to inform her about the details of the activity. 3. Students play an active role in co-curricular and extra-curricular activities, and social services. Other units of College like Students Union, sports, library, Associations etc. also operate under the guidance of the various committees and to some extent students are also involved in the decision-making process.

	6.1.2 – Does the institution have a Management Information System (MIS)?						
	Yes						
,	6.2 – Strategy Development and Deployment

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

1. Green initiatives: Green initiatives within and outside the campus have been a significant contribution in raising environmental consciousness. Government College, Hindaun City green initiatives encompass greening the campus, sweeping away wasteful inefficiencies, conservation of energies, correct disposal and handling of waste, purchase of environment friendly supplies and effective recycling program. Approximately 150 plants were planted in the campus. For ensuring the participation of students in developing the greenery and environmental consciousness, students are promoted to plant trees in the neighbourhood of their houses. 2. Plastic Free Campus: Plastic is harmful material which is not biodegradable. PFC is dedicated to helping college fight single-use plastic pollution worldwide. PFC helps college make a difference for the environment and our own health. 3. Cleanliness: Cleanness is one of the best practices a human being can process. Cleanliness refers to keeping one's self and also the surroundings clean and tidy. It is considered as an essentiality for a civilized society. Since decades, eminent politicians and notable public figures have been stressing on making cleanliness a habit.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college stresses on outreach programmes and inculcates in its students an awareness of the value of a holistic education and an empathy for the less privileged sections of society. Social service is a compulsory component for all students. An active NSS and Social Service Cell organize outreach programmes for the student community.
